Name Your Scene: \_\_\_\_\_

Is this part of an ongoing project? \_\_\_\_\_

Do you know who needs to be in your scene? \_\_\_\_\_

What is everyone doing?

Fighting?    Chatting?    Plotting mass destruction?    Something else?

Do you know *when* your scene is happening? \_\_\_\_\_

What do you want to establish with this scene?

Is this scene. . .

Something Cute?

Something Sad?

Something *Spicy*?

Something else?

For plot building?

World building?

Character building?

Just for funsies?

\*\*Note: you're allowed to create stuff just to create stuff

Is there. . .

a problem    an answer    a clue    some sort of trigger

in this scene that builds it into something else?

Name one thing that you know you need to tie into this scene: \_\_\_\_\_

# Random Scene Generator!

DelReysWritingDen.ca

Is there a specific line, prompt idea, or dialogue piece that you're itching to use?

---

---

---

- Can it weave into this scene?

What's the fastest way to convey what you want to with this scene?

---

---

---

---

---

---

---

---

How about the slowest?

---

---

---

---

---

---

---

---

Now find the middle ground, and off you go with your new scene!

# Sketch Space (with words or pictures!)
